Presto, Mambo! makes its U.S. premiere this fall with the Hartford Symphony Orchestra. Audiences rise to their feet, dancing to the rhythms of Latin America in Platypus Theatre's most interactive show to date.

The story begins with Max – an energetic but impulsive young boy – who makes his way onto the stage to “help” the orchestra. Soon Max is on a whirlwind adventure that takes him from the concert hall to the vibrant lands of Latin America. With the help of his new friend, Mambo the dog, the orchestra and the audience – Max learns the magic of Latin rhythms and how to “dance” with the music.

Tickets \$10
