SYMPHONY IN SCHOOLS
Blending arts and academics through interactive classroom performances.

MUSICAL DIALOGUES
Bringing communities together around the beauty and joy of live music.

MUSICIANS CARE PROJECT
Soothing and inspiring those whose healthcare needs may prevent them from coming to the concert hall.

INSTRUMENT DISCOVERY LAB
A hands-on exploration of the musical instruments that make up an orchestra.

EXPLORE EMOTIONS
Mar. 18, 2020 | 10:30 AM
A magical dream brings us to a distant planet just in time to save its people from a fierce dragon, testing our strength and bravery while also teaching us about empathy and kindness.

THE HSO AND THE CASE OF THE MISSING GHOST LAMP
Oct. 29, 2019 | 10:30 AM
Join us for an eerie exploration of the orchestral
The season is ripe for a spooky symphony story of a missing ghost lamp in the theater.

LINK UP: THE ORCHESTRA MOVES
Apr. 8, 2020 | 10:30 AM
Sponsored in part by Lincoln Financial Foundation and Carnegie Hall’s Well Music Institute
How does music make us move? Link Up: The Orchestra Moves is the collaborative concert culmination of a year-long music education curriculum from Carnegie Hall. For Hartford Public Schools.

SEASONS
May 13, 2020 | 10:30 AM
In a single year, we experience constant change. Seasons takes audiences on a journey to embrace that change through learning about the world around us, growing up, and caring for our earth.

FAMILY SERIES
Immersive presentations that bring music into the community for families through interactive performances by HSO chamber music ensembles and hands-on experiences in the Instrument Discovery Lab.
